"Tennis for All" Fund Application Form

The "Tennis for All" Fund, set up by the Shediac Tennis Club in cooperation with our sponsors, seeks to give everyone a chance to play this great sport. Applications for the fund are now being accepted: there are two deadlines for players or potential players who wish to apply for different club activities. The first deadline allows players and potential players to apply for spring lessons: the **deadline** for applying is **May 15**. The second deadline allows players and potential players to apply for summer lessons: the **deadline** for applying is **June 15**. Players and potential players can apply for both sessions. The "Tennis for All" fund also provides for club membership which is required to take lessons. Please check our Web site for our list of sponsors and find out more about the fund and lessons at www.shediactennis.ca.
